This website uses cookies to improve the user experience and ensure that it is functioning effectively.

This Cookie Notice is part of our Privacy Statement For more information about us, and how we protect visitor information, please see our Privacy Statement.

In order to provide you with a more personalized and responsive service we need to remember and store information about how you use this website. This is done using small text files called cookies. Cookies contain small amounts of information and are downloaded to your computer or other device by a server for this website. Your web browser then sends these cookies back to this website on each subsequent visit so that it can recognize you and remember things like your user preferences. You can find more detailed information about cookies and how they work at <http://www.aboutcookies.org/>.

Whenever you use this website, information may be collected through the use of cookies and other technologies. By using this website you agree to our use of cookies as described in this Cookie Notice and also to the use of cookies on the other country, regional or practice specific websites contained in Kuwaconsultinggroup.com that you may visit, as described in their accompanying cookie notices.

What cookies do we use and why?

Some of the cookies we use are necessary to enable you to move around the website and use its features such as accessing secure areas that may contain content for registered users.

We also use functional cookies to record information about the choices you have made and to allow us to tailor this website to our users; for example, to remember your language or region or that you have already completed a survey. This information is usually anonymized and is not used for any purpose unrelated to this website.

We or our service providers also use analytic services to help us understand how effective our content is, what interests our users have, and to improve how this website works. In addition, we use web beacons, tracking pixels and similar services to understand more about the visitors to this website, and to count visitor numbers and performance cookies to track how many individual users access this website and how often. This information is used

for statistical purposes and to improve how this website works and it is not our intention to use such information to personally identify any user. However, if at any time you register and sign into this website we may combine such data with information from our web analytic services and cookies to analyze how you use this website in more detail.

This website does not use targeting cookies to deliver targeted advertising on this website; however, these cookies may be used on third party websites on which we occasionally advertise, to track the success of those advertising campaigns. We may use web beacons (also known as pixel tags) to determine which users have come to this website after viewing an advertisement we have served on such third-party websites. We also work with such third parties to collect data so that we can determine the effectiveness of our ads and serve ads targeted to your interests. The use of web beacons does not provide us with any personal information and we do not use this technology to access your personal information. It is used only to compile aggregated data about users who visit this website and to gauge the effectiveness of our ads. Web beacons do not place information on your device, but may work in conjunction with cookies to monitor activity. You cannot remove or block web beacons, but you can remove or block cookies with which they work to block the collection of information about your user activity.

Please see our cookie settings link at the top of this page for more detailed information on the cookies we use.
